Heat pumps					
360050	LAB 9 M	LAB 9 M outdoor air to water heat pump - single phase	?	1	
Heat Pump Control and Regulation					
039057	DIMP18	DIMP18 Horstmann control kit for LAB heat pumps		1	
Hydraulic accessories					
027368	AS 976	Heat pump to heating system connection hose, 10m			
029614	AS 976-1	Heat pump to heating system connection hose, 10m			
029294	SCHT 975-1	Connection accessory for AS 976			
029287	SCHT 975-3	Connection accessory for AS 976			
029270	SCHT 975-4	Connection accessory for AS 976-1			
029188	TUE 430	Connection accessory for AS 976			
029171	TUE 440	Connection accessory for AS 976-1			
026101	SAS110	Heating Water Connection hose (1 1/2")		1	
038180	VT9	Single threaded bar anti-vibration mounts		1	
038197	VTD9	Double threaded bar anti-vibration mounts			
038548	BDX5	Drip tray for wall mounting LAB heat pump			
037145	ILFB4	4kW, In line heater, single phase			
038302	CCx150/75	CCX heat pump cylinder 150L with 75L buffer. cladded (2.8m ² coil)		1	
038340	CCx225/100	CCX heat pump cylinder 255L with 100L buffer. cladded (3m ² coil)			
026255	UP 25-60	UP 25/60 Circulating Pump 6m Head height to fit WWM25 / KPV 25 / MMH25 / DDV25		1	
026262	UP 25-80	UP 25/80 Circulating Pump 8m Head height to fit WWM25 / KPV 25 / MMH25 / DDV25			
358870	UPE 25-60	UPE 25/60 Circulating Pump 6m head height to fit WWM25 / MMH25 electronically regulated			
032461	UP 32-60	UP 32/60 Circulating Pump 6m head height to fit DDV32			
029157	UP 32-70	UP 32/70 Circulating Pump 7m head height to fit DDV32			
SmartRad®					
359080	SRX080M	SmartRad metal front 800 watts nominal	?		
359090	SRX120M	SmartRad metal front 1200 watts nominal			
359100	SRX140M	SmartRad metal front 1400 watts nominal			
359110	SRX180M	SmartRad metal front 1800 watts nominal			
362223	SRX080BG	SmartRad black glass front 800 watts nominal			
362230	SRX120BG	SmartRad black glass front 1200 watts nominal			
362247	SRX140BG	SmartRad black glass front 1400 watts nominal			
362254	SRX180GB	SmartRad black glass front 1800 watts nominal			
362261	SRX080WG	SmartRad white glass front 800 watts nominal			
362278	SRX120WG	SmartRad white glass front 1200 watts nominal			
362285	SRX140WG	SmartRad white glass front 1400 watts nominal			
362292	SRX180WG	SmartRad white glass front 1800 watts nominal			
020680	RXPW1	1-zone pilot wire 7 day programming cassette - white finish only			
020673	RX24TI	24-hour timer programming cassette - white finish			
030344	RX24TIB	24-hour timer programming cassette - black finish			
020703	RXRBTI	Runback timer cassette (installer adjustable 30 mins to 4 hours) - white finish			
030351	RXRBTIB	Runback timer cassette (installer adjustable 30 mins to 4 hours) - Black finish			

1. Example hydraulic for space heating and domestic hot water. Note that this only example because every installation is different. Not all components shown in the hydraulic are available from Dimplex.
