

Ref. 893311 - DIMPLEX - EDL270UK-630 - RF

Energy efficiency in average climatic conditions	η_{WH}	%	130
Water heater thermostat setting	-	°C	55
Precautions to be taken during assembly, installation and maintenance are described in the installer and user instruction manual			
Energy efficiency in coldest climatic conditions	η_{WH}	%	123
Energy efficiency in warmest climatic conditions	η_{WH}	%	149
The installer and user instructions contain a description of the water heater			
Daily electricity consumption	Qelec	kWh	3,71
